To,

DR. Dhansingh Chaudhary,
HYPNOTHERAPIST.

Dear Sir,

This letter comes to you to wish you our sincere thanks for participating actively in our programme.

As a hypnotherapist, you desire to be so. You could easily correlate the treatment modality with the symptoms and rationalise its scientific base. The audience was satisfied with your lecture and more so for your answers to their queries.

We wish you a very prosperous career,

Thanking you once again,

Yours sincerely,

Shake

Dr. Jayant Dhake,
Secretary.
